ABOUT

Offering 2 years of progressive experience in owning web-based projects from concept and design through testing, implementation and client updates. Diligent about producing exceptionally clean, strong and secure code. Successful at achieving browser, device and operating system compatibility objectives while satisfying client desires and producing robust, sophisticated designs.

EDUCATION

CCS University, Meerut — Bachelor of Arts

SEPTEMBER 2020 - JUNE 2023

V.V. Inter College, Shamli — Intermediate

APRIL 2018 - MARCH 2020

PROJECTS

Personal Portfolio Website — [Link](#)

I have successfully designed and implemented my personal portfolio website to showcase my skills, projects, and accomplishments. Utilizing a combination of HTML, CSS, and JavaScript, I have created an engaging and user-friendly online presence that reflects my commitment to excellence in web development.

Landing Page(RecoBee) — [Link](#)

I designed and implemented RecoBee, a movie recommendation platform, as a responsive web application. This project involved the integration of HTML, CSS, and JavaScript to create an engaging and user-friendly landing page.

Experience

SOFTLES — *Front End Developer Intern*

FEB 2023 - PRESENT

- Improved and designed new layouts to achieve usability and performance objectives.
- Developed user interfaces for web applications using HTML, CSS and JavaScript.
- Continued self-education and training to keep up with industry changes and trends.
- Built reusable components that can be used across multiple projects.

SKILLS

HTML5, CSS3, JavaScript,
PHP, GitHub, Sass.
